THE ROYAL PROGRESS Duke and Duchess In New Zealand Wilds.

ROTORUA, June 14.—Their Royal High-
 nesses the Duke and Duchess of Corn-
 wall spent an exciting but pleasant time
 at Rotorua and vicinity today. It was a
 hurry-scurry from one place of interest
 to another, in order to cover as many of
 the sights as possible in the time avail-
 able, but withal the day's outing was
 most enjoyable and crammed full of in-
 terest for the Royal visitors and suite,
 who were introduced to scenes of natu-
 ral grandeur and phases of human life and
 character which they had never before
 seen, and which can be witnessed in no
 other part of the world. In spite of the
 gloomy forebodings of the previous day
 the morning broke beautifully fine. Noth-
 ing could have been more miserable or
 uninviting than Rotorua on Thursday
 night. It was one continuous downpour
 of rain. Yet this morning the sun came
 out brightly, and throughout the day the
 weather was pleasant, the only drawback
 being that the roads were heavy, and in
 some cases little better than a quagmire.
 On this account the decision of last night
 to strike out the Waiotapu trip was ad-
 hered to, and the program followed for
 the day was: A visit to the baths, the
 opening of the Duchess bath and drive
 through the Sanatorium grounds; a visit
 to Ohinamutu, where a brief Maori cer-
 emony took place; a visit to the sights of
 the lakes and haka, a small portion of the
 elaborate program which has been pre-
 pared for their Royal Highnesses by the
 Maori. The principal part of the Maori
 display will be given tomorrow morning.
 From the race-course the Royal party
 drove back to the Grand Hotel to lunch.
 Immediately after lunch their Highnesses
 and party started for Tikitere, going
 across the lake and returning by boat.
 The start from the Grand Hotel was
 made at 10 o'clock. Their Royal High-
 nesses rode in an open coach, accompa-
 nied by the Governor and suite, and a
 number of officers from the visiting war-
 ships followed in similar vehicles.

THE DUCHESS BATH.

The first stop was at the new bath,
 which has been constructed in the San-
 itarium grounds in honor of the Royal vis-
 it. The Duchess turned the key, and by
 request of the Government, named the
 bath "The Duchess Bath." The new
 bath is a great improvement on any of
 the present Rotorua baths. It is 40 feet
 by 30 feet. It is supplied with Rotorua
 water, fitted with electric light, and cov-
 ered in the roof being high, giving the
 bath a fine, roomy appearance. There are
 six dressing rooms, three on each side of
 the bath. These at present are most ele-
 gantly furnished. The bath has been
 placed close to the old baths in the San-
 itarium grounds. The Royal visitors and
 party entered immediately on the Duch-
 ess turning the key, and their Royal
 Highnesses were shown over the building
 by Dr. Kenny.

CAUSE OF FALLING HAIR.

Dandruff, Which is a Germ Disease—
 Kill the Germ.

Falling hair is caused by dandruff,
 which is a germ disease. The germ, in-
 burrowing into the root of the hair,
 where it destroys the vitality of the
 hair, causing the hair to fall out, digs
 up the cuticle in little scales called
 dandruff or scurf. You can't stop the
 falling hair without curing the dand-
 ruff, and you can't cure the dandruff
 without killing the dandruff germ.
 "Destroy the cause, you remove the ef-
 fect." Newbro's Herpicide is the only
 hair preparation that kills the dand-
 ruff germ. Herpicide is also a de-
 lightful hair dressing.
